## Paddock Trees Project - Expression of Interest

Funding is available to landholders wanting to protect significant their paddock trees.

*Are you interested in protecting an important tree on your property?*

Funding has been received by Upper Goulburn Landcare Network from the Federal Government's Community Environment Grant to support landholders to fence and revegetate around their favourite paddock tree.

Funding will be provided at \$5/m for a 20m x 20m area for fencing. Revegetation of 50 local native shrubs funded at \$3 per plant and materials will be required in each site, and funding is also available for mistletoe control as needed.

This is a rare opportunity, so be quick to let us know if you are interested and please do your best to fill out the information.

Priority will be given to large, hollow bearing trees.

### Funding is limited.
