TERIP TERIP TENNIS TRENDING TOWARD TERRIFICNESS

The Terip Terip Tennis Courts have served the Tablelands Community for generations. Back in the day, local farmers used to knock off work on a Wednesday afternoon to play tennis. It had to be Wednesdays because most of them played cricket on weekends.

The tennis courts have been the mainstay of the Terip Recreation Reserve and the annual New Years Tournament which has been held annually for over 50 years has been a 'must do' for followers of the amateur country tennis circuit.

The playing surface of this vital piece of community infrastructure has steadily deteriorated over the years and the management committee has applied for funding grants 5 times in the past 10 years in order to remediate the playing surfaces.

In 2014, they finally hit pay dirt.

A State Government "2 for 1" grant was received to rebuild and upgrade the playing surfaces with Modgrass at a budgeted cost of \$98,000.

The very happy Terip Tennis Club Committee, Frances Lawrence, Helen McKenzie, Sue Martin, Cindy & Tim Hayes are looking forward to the completion and opening of the resurfaced Terip Tennis courts.

There are three courts, one being a multi-purpose court for tennis, handball and netball.

Works are nearing completion and the 2015 tournament has been held over to coincide with the Grand Opening on Saturday February 28th.

Tournament entries are invited & everyone is welcome at the Grand Opening.

NOTES FROM HIGHLANDS PRIMARY SCHOOL

WHAT A GREAT WEEK!

This week has seen students getting used to new routines and adapting to new ways of doing things, all of which students have fully embraced with a positive attitude

One of the great things that we have noticed happening here at Highlands is how well the students care for and look out for each other. It has been wonderful to see the strong friendships that have formed between all students in the school and how inclusive all students are.

I look forward to another busy and productive week here at Highlands Primary School.

Maree Moyle—Acting Principal, HPS

STUDENT OF THE WEEK

BRIDIE HAYES

Bridie has made a wonderful transition from the Junior room to the Senior room this year, even confidently delivering a speech to all students! Well Done Bridie on a fantastic start to 2015!

LANDCARE NOTICE BOARD

"The Rabbit Control Programme for Landowners affected by the Creighton's Creek fire is an initiative of the Granite Creeks Project who have employed Heather Tingay to contact Landowners and coordinate the programme.

Funding is from Granite Creeks Project and the Catchment Management Authority"

Barry Noye—Creighton's Creek Landcare

To assist landholders bordering the burnt areas in Ruffy and Longwood East, the HCCC Landcare network is offering free rabbit warren ripping & harbour removal. This is because many of the rabbits will have moved from the bushfire affected areas into the adjoining farmland and bush to find food. Landholders within the burnt area are being offered free ripping via the Creightons Creek Landcare Group & Granite Creeks Project.

If you are interested in receiving one free day of excavator ripping in areas close to the fire edge
