

# Yea Wetlands Artist's Paintout

## Artist's Paint Out

**Sunday 3rd May, 2015 – 10am to 2pm**

***All Artist Workshop - Come, Watch, Chat .... and Learn!***

This is the 2nd of four such events planned for 2015. It will culminate with a chance to enter in a special category at the **2016 Rotary Club of Yea Art Show!**

This is an opportunity for all artists to interpret and capture on their preferred medium the changing seasonal moods and colours of the wetlands as we transition from autumn to winter. Come, watch and learn from reknown, local and indigenous artists at work, capturing the natural beauty of Yea's 'Best kept Secret'.

This Paintout will be held at a different location within the Wetlands. Drive in through the Cummins Reserve entrance off the GV Hwy and follow the track around to the left for aesthetic views of the Yea River and suspension bridge. Alternatively, park at the Y Water Discovery Centre and enjoy a short walk into the wetlands across the suspension bridge.

Once again the Wetlands Committee will set up a meeting point to answer any questions and provide advice. Join the Committee for an enjoyable a BBQ Lunch in these beautiful surrounds. Everyone is invited to meet up and share their work around 2:00pm.
