

A Special Evening

Go behind the scenes at Melbourne Museum with Dean Smith

HOSTED BY: YEA WETLANDS COMMITTEE
SUPPORTED BY: THE UPPER GOULBURN LANDCARE NETWORK

The Yea Wetlands Committee of Management is proud to present our annual dinner for the Friends of the Wetlands.

Dean Smith, Senior Preparator at the Melbourne Museum, and owner of taxidermy business Environmental Creations, is our guest speaker. Dean will speak on the wide range of skills he uses to make museum dioramas and model habitats—casting, illustration, botanical preservation, articulating dinosaur models and of course, taxidermy.

Dean will show examples of the materials and techniques he uses behind the scenes at the museum, and the methods used to put the displays together. You will probably never look at a museum exhibit the same again.
