

Property Assessment Field Day

The Upper Goulburn Landcare Network is holding a field day to demonstrate to landholders how to assess their land capability and provide advice on how to manage and improve their land.

Come along to this informal gathering to hear the landholder and Brad Costin - Land Management Extension Officer, DEDJTR, discuss these issues, and meet fellow landholders who may be facing similar challenges.

Where: 1637 Caveat-Dropmore Rd, Highlands

When: Saturday 13th August 2016

Time: 9.30—1.30

Morning tea and lunch provided.

RSVP to Judy Watts; uglandcare@gbcma.vic.gov.au or 57974405 by Wednesday 10th August

Do you have;

Steep hills?

Flat country?

A bit of both?

Erosion issues?

Weed problems? - What weeds do I have?

What does my soil tell me?

Is my pasture any good?

Want to know where to put fences?

Questions about water supply? - Is my dam up to scratch?

Is my bushland in need of care?

How many animals can my property carry?

Or any other issues regarding your property.
