

Soup & Film Night Mon May 15th @ 7pm

Come along and share a fabulous soup and roll with others and watch a fascinating collection of films and shorts focusing on Regenerative Agriculture - an approach to food and farming systems that regenerates topsoil and enhances biodiversity now into the future. Including 'Unbroken Ground' and shorts from Polyface Farm.

Unbroken

Ground looks at the role food will play in efforts to solve current environmental issues. Food can be grown, harvested and produced in ways that restore our land, water and wildlife. The film tells the story of four groups that are pioneers in the fields of regenerative agriculture, regenerative grazing, diversified crop development and restorative fishing.

\$10 donation (towards the meal costs and community food projects).
