

Healthy Hectares: Encouraging Wildlife on your Farm Friday 16th June at Yea Wetlands 12 – 4 pm.

The Euroa Arboretum, Upper Goulburn Landcare Network and Murrindindi Shire invite you to attend the 'Encouraging Wildlife on your Farm' workshop, available to small landholders in the Murrindindi Shire.

Come for the afternoon and learn about the following topics:

- How do you create better links for wildlife on your property?
- Making your farm dam frog friendly.
- Shelterbelt design.
- Plant identification – bring along your native plant samples
- Basic native grass identification and management tips
- Revegetation tips and techniques.

This is one of a series of workshops.

The following session is Pest Animals and Plants on 21st July.

Booking is essential and Cost is \$50 per day.

For more information or to register, visit www.euroaarboretum.com.au
or contact Vikki Lane 0429 127 399

There is also a great resource booklet online at www.healthyhectares.org.au
or contact Vikki for a copy to be sent out.

The series is supported by the Goulburn Broken Catchment Management Authority's Beyond SoilCare program through funding from the Australian Government's National Landcare Programme and the Norman Wettenhall Foundation.
