

GET INVOLVED IN TELLING THE TREE STOREY

The Strathbogrie Ranges community loves its big old trees.

However, we're worried that many of them are in poor condition or dying. To make sure they are looked after, we need you to help us record the location and health of the area's old trees on private and public land.

To find out how you can get involved in this terrific project, please join us for the launch of the Tree Storey citizen science project.

WHAT

Launch of the Tree Storey app and field guide and short talk by University of Melbourne's Professor Stefan Arndt

WHEN

11am, Friday November 24

WHERE

Euroa Arboretum

This event is FREE however RSVPs to reception@gbcma.vic.gov.au are required by 5pm Wednesday November 22 for catering purposes.
