The product that we use for Blackberries is Woody along with the surfactant that we use is Consume.

- **Woody special price is \$65 after the subsidy per 5L inclusive of GST**

Rates for Woody is 350 mls/100 litres water or 500 mls/100L if it is a big old, insect or stock eaten stand.

- **Consume special price is \$70 after the subsidy per 5L inclusive of GST**

Consume rate is 100 ml/100 litres water regardless.
