

FRUIT TREE PRUNING WORKSHOP

The Upper Goulburn Landcare Network is holding a free fruit tree pruning Workshop. Learn how to prune a variety of fruit trees with Gabby from Buxton Woodfired Pizza Café. Gabby has approximately 80 trees on the property and although getting a little late in the season for her pruning regime, Gabby has kindly offered to demonstrate, leaving a few trees unpruned until the workshop.

The demonstration will be followed by dinner in the café to warm us up!

“At Buxton Wood Fired Pizza Cafe, we think that great ingredients make great pizza. We make our own tomato and BBQ sauces, as well as other garlic and herb bases. Our garlic is fresh and grown on the property, not scooped out of a bottle! Wherever possible we use our own produce. The caramelised onions are cooked in our kitchen. The chicken we use is only free range. We buy wholesome, fresh smallgoods and treat our ingredients with care...AND we prove our pizza dough for 24 hours, for a delicious light and tasty crust, that we hope you will love.”

Date: Sunday 22nd July

Time: 3pm for a 2-hour demonstration followed by pizza dinner, if you would like to stay (cost of meal not included).
BYO alcohol.

Where: 11 Patagorang Place, Buxton.

Please RSVP no later than Wednesday 18th July to:

Judy Watts

uglandcare@ugln.net or 57974405

This project is supported by the Goulburn Broken Catchment Management Authority's Beyond Soilcare program through funding from the Australian Government's National Landcare Program
