

## A PERSONAL INVITATION!!

You're invited to attend a

# Creative 'Carnivale' Workshop

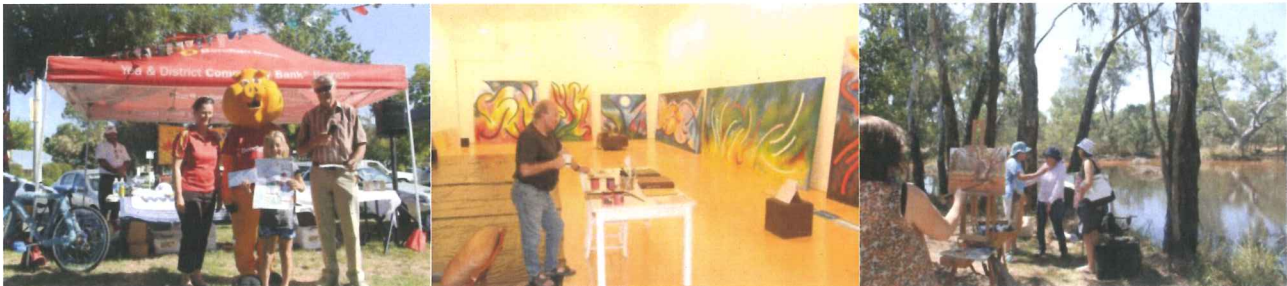

The Yea Arts Carnivale Team is a small, but enthusiastic group of volunteers keen to grow the 2015 Yea Arts Carnivale into a 10 day regional event bringing social, cultural and economic benefits to our district.

Like-minded individuals, business and community groups are invited to attend, contribute and work with our Team.

Last year's successful Carnivale realised lots of benefits and revealed the enormous potential that can be achieved through a successful event organised and run by ourselves. However, we need the proactive input and assistance from individuals, businesses and community groups – to do it again, and again!

This focussed Creative Carnivale Workshop will scope out the varied arts events, identify the numerous event organisers and commence the task of attracting funds, planning, sourcing relevant permits necessary to promote and hold the event.

Our Committee has, and will continue to source funds to coordinate, publicise and widely promote next year's 10 day Carnivale but it's really up to you, our businesses, organisations, schools, residents and community groups to plan and conduct your own 'arts' event or supporting fund raising activity.

### WORKING TOGETHER WE CAN ... AND WILL DO IT!

We strongly encourage your attendance and proactive participation. Remember, your imagination is the limitation!!
