## “The Fruit Fly invasion”

Seymour A&P Society is hosting an important information session on the **Queensland Fruit Fly**, a recent Northern invader. What will it mean for you?

The workshop is coming up on  
**Thursday 19<sup>th</sup> March 7pm**  
at the **Ken Hall Pavilion, Kings Park.**

Guest speaker **Russell Fox**, an industry expert, will provide information on this highly destructive pest, already a blight in the Goulburn Valley, and now making its presence felt in Seymour gardens and orchards.

Every member of the community is invited to the workshop, which will cover:

- How to identify fruit fly in your garden, orchard, or farm
- What to do if you find it on your property
- How to help control the spread of it
- Why it's such a concern for our region

***RSVP Phone 0438 577126. Or simply turn up.***
