

Kinglake Friends of the Great Forest
present
Kinglake Greater Gliders- Captured on Camera

Saturday 30th March
7 – 8.30 pm
Kinglake Community Centre Hall,
436 Whittlesea-Kinglake Road, Kinglake.

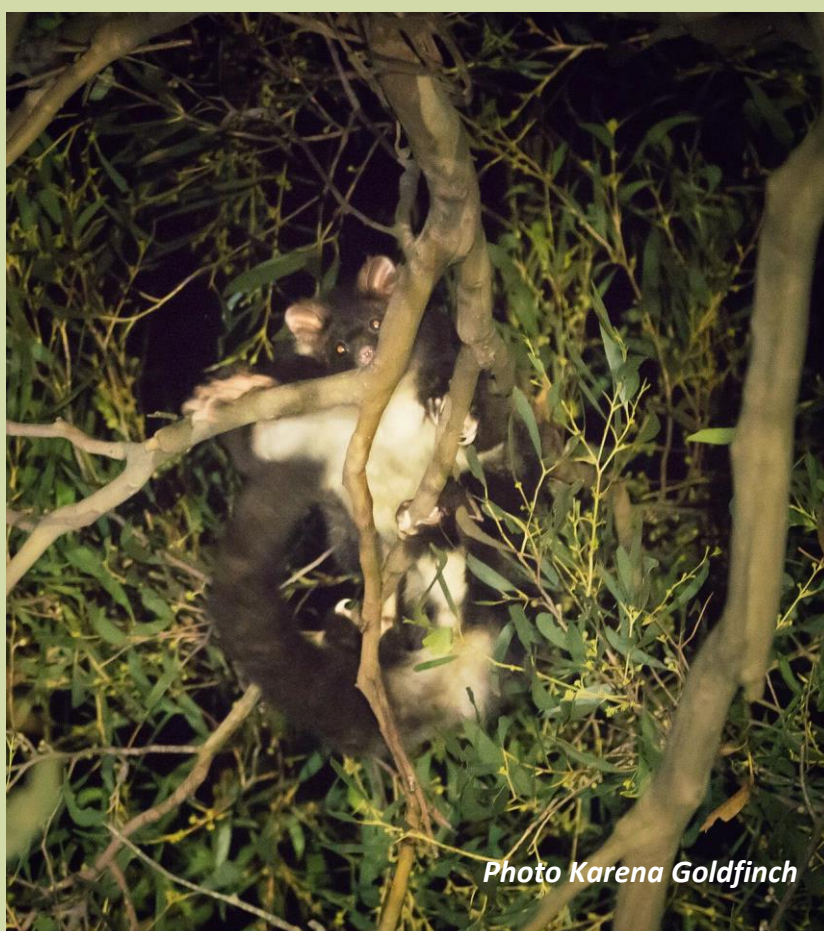

Photo Karena Goldfinch

Join us for a presentation of our beautiful photos of Greater Gliders seen during our Surveys in the Mt Robertson State Forest, Kinglake

We will discuss how we can help protect these gentle animals and the habitat they require.

Learn more from speaker Maggie Campbell-Jones who has been researching the effects of the 2009 fires on arboreal mammal distribution." She has some interesting information on the greater glider distribution in regards to fire severity.

Free Event. Tea and coffee available ...All are welcome to join us spotlighting in the forest after the presentation
