

THE GRANITE NEWS

The Granite News - serving the communities of Caveat, Highlands, Hughes Creek, Ruffy, Tarcombe, Terip Terip & Whiteheads Creek.

15th September 2024 | Volume 18 Issue 32

Welcome, Wumindjika & G'day

As this is the last TGN for a couple of weeks - next issue is **Sunday 6th October** - there are a lot of activities happening that you may like to join in over the next 2 weeks.

Alternatively, if you have any events coming up in October that you wish to publicise to the local communities best send those articles/memos/ads in to the Editor sooner rather than closer to that date.

Over the last few years I have noted at various times the seasonal, as well as specially targeted, displays that pop up - courtesy of the 'Good Fairy' - on the Ghin Ghin Cutting.

Well, there's a new one just appeared that the Good Fairy has instructed me to put on the front page - which is a bit embarrassing when that carefully created artwork is a farewell to Peter and me. So cheers to the 'Good Fairy.'

Entitled Planes & Patchwork or is it Patchwork & Planes I can only say a humble thank you for the acknowledgement and the time spent creating such an impressive piece of textile art in my favourite colour - teal.

(Apologies for the indulgence but I **was** told!)

Please read on for another interesting issue, Pauline

And Kenny? Was checking out the Ruffy vege basket of goodies

Feedback? editor@tgn.org.au
or to subscribe on-line go to

Join a guided walk, including the nursery area, and get propagation tips from arboretum staff and volunteers.

Middle Eastern BBQ and salad provided
(kindly sponsored by HCCC and the GBCMA)

BYO picnic plates etc., chair/picnic rug
and something to share for dessert.

And did the Earth move for you too dear?

It appears that last Sunday night The Granite News wasn't the only thing landing with a thud in the HCCC area. There was an impressive earthquake happening in our region too. I certainly felt it at my place and after realising that it wasn't a low flying aircraft about to crash, assumed correctly that it must be terrestrial rather than aerial. Of course Neil can explain it so much better. Ed.

Large cracks in rocks are a common place for earthquakes to occur. With changing stresses in the Earth, movement can occur as it did last night, and as occurred 2-3 years ago in NE Victoria.

Large cracks can be traced 10s or 100s km and are faults, and one side of the fault moves relative to the other side.

The reported position last night is well inside the Strathbogie granite, and there are numerous relatively small cracks in the granite where the two sides of the crack simply open slightly. These are called joints. Many of the creeks on the SB plateau are guided by these joints (including Seven Creeks) and this is easily seen if one looks at the creek patterns on a map.

As last Sunday night's data is analysed further by Geoscience Australia we will have a clearer picture of the exact magnitude, depth and location. Aftershocks are always a possibility after any earthquake.

It is still pretty impressive that we can be delivered all this data on the earthquake in 1-2 hours just after midnight.

Neil Phillips

Letter to Readers from the Editor

Greetings everyone,

As moving day is rapidly approaching - Friday 20th Sept. - I just thought that I would put my fingers to the keyboard to say a HUGE thank you to everyone in our local HCCC area who have made our extended stay of 25+ years, so memorable and enjoyable.

In 1986 we called our 50 acres of paradise 'Tatiara' - aboriginal for "Good Country" and have always felt that it was well named.

Whilst the natural beauty of the area with its outstanding granite tors and far-reaching views will stay with us forever, it is the warm and friendly people, who make up the many small communities, that are the real heart and soul of this beautiful area. We could not have wished for better neighbours, whether they be over the other side of the 6 strand wire fence, or a little further down the road.

Add in the amazing wildlife (NOT the deer) and our home really is an elevated gem, basking in blue sky and sun above the winter fog and cooler than the surrounding plains in summer.

We will certainly miss this special part of the world but we will always have many happy memories of our time living in the Highlands.

Many thanks to everyone who has made this delightful life experience possible - you rock!

Best wishes to you all for the future,

Pauline & Peter.

Specky view from the Roberts' front deck

Are you interested in adding to the

i Natutaliste's

environmental knowledge base of the local HCCC area?

If **YES** then download the App now, follow the instructions for use in

TGN 30/7/23,

and start recording our unique natural wonders of both fauna and flora. It's an incredibly valuable resource.

 **iNaturalist**

Hear about local birds from local enthusiast
Peter Sawyer
 at a community event
Tallarook Mechanics Institute
 Thursday 19th September at 7pm
 Local band **The Silverbeats** will perform.
 After Peter's presentation snacks and further chat.

On the Road Highlands

Join us in Highlands for an evening, real people talking about real books, eBooks, magazines, films and other great works.

To RSVP, visit our website murrindindi.vic.gov.au/libraryevents, call 5772 0333, or drop in and let us know you'll be attending.

 Highlands Community Hall,
1603 Ghin Ghin Road,
Highlands.

 Friday 20 September

 6.00 - 7.30 pm

Terip Terip Community Morning Tea

Sunday 6th October 2024

At the Terip Terip Rec Reserve

Come and enjoy a cuppa & a catch-up. Also, a chance to show support for our local CFA brigade members who have their first training session of the season.

Time: from 10:00 am. Bring a small plate to share.

Save the Date!

Next Highlands Book Group - @ the Highlands Hall, Saturday 12th October @ 6pm

It's all happening in Strathbogie with 2 activities coming up
For more details see the website - <https://www.strathbogie.org.au/>

Screen Printing Workshops Wearable Art

Time & Date: 10:30am-2:30pm,
Saturday the 21st or 28th of September
Location: Strathbogie Memorial Hall
Cost: Adults \$35, Under 12 \$20

Learn about screen printing in a one-day workshop Wearable Ethical Art with printmaker Robyn Thompson. Robyn will assist you to draft the design for two t-shirts and then guide you through the screen-printing process. The t-shirts will be hand-printed using water soluble textile inks. Two ethical 100 % organic cotton t-shirts will be supplied.

A maximum of 8 participants will ensure there is individual guidance on screen printing techniques.

Bushwalk Golden Mountain, Strathbogie Forest

Time & Date: 10:30am-1:30pm, Sunday 29th September
Start/End Location: Intersection of Ferraris Rd and Harpers Number 4 Track, Strathbogie
Difficulty: Easy to moderate
Length: 4km
Cost: Free as always
Bring: A hat, lunch, water & sturdy walking shoes

Our first Spring walk is one we've been talking about for a while, and is actually featured on one of our walk guides on the website. The walk is a surprisingly gentle ascent to the top of the famous Golden Mountain, which boasts one of the best views in Strathbogie.

Yea River Catchment Landcare Group

**Conservation of ENDANGERED NATIVE FISH SPECIES in Farm Dams
with
NATIVE FISH ECOLOGIST, DR SCOTT RAYMOND**

Among his many achievements, Dr Scott Raymond is a Senior Research Ecologist at the Arthur Rylah Institute, where he has worked for the past seventeen years, specialising in small-bodied native fish conservation, species translocation and habitat restoration.

Join Yea River Catchment Landcare Group to hear Scott talk about rearing endangered native fish in farm dams, and how this helps restore wild populations, heavily depleted by habitat loss, drought, and competing exotic species.

Friday, 4 October 2024, 7.15 pm (after our AGM)
RSL Club, 26 Snodgrass Street, YEA
Landcare members \$5; non-members \$10; kids free (cash, please)

RSVP: Judy Brookes at juncball@bigpond.com

SUPPER PROVIDED

KOALA CONSERVATION PRESENTATION YARCK HALL

UGLN is very proud to announce a free Koala presentation. Join Landcare for a Koala conversation with Lynne Wallace-Greenberg. Lynne currently works in Koala Education & Conservation. Her tertiary qualifications, and her hands-on skills at the Port Macquarie Koala Hospital, equip her to answer any questions about koalas that you may have.

Learn about:

- How & where koalas live.
- Their favourite trees and how you can improve their habitat.
- Threats that koalas face and how we can help.
- How to report koala sightings.

The talk will be followed by the Home Creek-Spring Creek Landcare Group AGM.

When: Saturday 12th October

Time: 11AM

Where: Yarck Hall, 6583 Maroondah Hwy, Yarck
Light lunch provided

***To register contact Chris Cobern on ugln.projects@ugln.net
or 0413 855 490***

Important Covidsafe advice:

Do not attend the activity if you are unwell, especially with cold/flu symptoms.

This event has been funded by the Victorian Landcare Grants.

The Granite News is usually created on the lands of the Taungurung clans - First People of the Rivers and Mountains.

We thank the Taungurung ancestors and elders who, for millennia, have cared for this country on which we now live, work, play and grow.

May the current generations of Taungurung, HCCC residents & landowners continue this important custodianship into the future.
